

Mechanical and Process Scrap Parts Lot, 458 Items

458 line items, 951 units. As-removed surplus. Bulk scrap and salvage material.

LINE ITEMS	TOTAL UNITS	CONDITION	LOT FORMAT
458	951	Salvage / scrap	Single lot

Mixed mechanical, valve, electrical, and process scrap parts released from a large oil and gas company, located in Baton Rouge, LA. Offered as a single lot, no partial-lot or per-item offers. 458 line items across mechanical components (123), miscellaneous parts (184), commodity items (63), valves (25), gaskets (18), electrical components (13), fittings (10), instruments (9), and filters (7). Includes salvage and harvestable material from Elliott, Dresser-Rand, Ingersoll Rand, General Electric, Carrier, ABB, Clark, Flowserve, and others. Suited to scrap dealers, salvage operators, and parts harvesters working industrial process equipment.

Bid Process

Bids are submitted through the KeySurplus marketplace listing (#268482) using the Make Offer button. Bids are for the entire 458-item lot only. The lot will be awarded to the strongest qualifying bid following the deadline, subject to seller's review.

Full Manifest

All 458 line items, sorted by category and manufacturer. Lot Ref is the internal item reference for bidder questions. Part numbers are not provided for this lot; items are offered as bulk scrap and salvage material.

Terms and Disclaimers

All items offered as-is, where-is, with no warranty express or implied as to condition, fitness for purpose, merchantability, or performance. Items are offered as salvage and scrap material; some items may show wear, damage, or partial completeness. Bidders are responsible for their own evaluation.

The manifest is provided for informational purposes only. Item descriptions, manufacturers, categories, and quantities are derived from the seller's inventory records and supplemented by Dynaprice classification work. Dynaprice and the seller make no representation or warranty as to the accuracy or completeness of the manifest. The manifest may be corrected, updated, or adjusted at any time prior to award without notice. Bidders are responsible for verifying item identification, condition, and suitability prior to bid; reliance on the manifest is at the bidder's own risk. Any material discrepancies discovered prior to award will be handled by the bid administrator at its sole discretion.

Bids are submitted via the KeySurplus marketplace (item #268482). The bid administrator may reject any or all bids, require bid increments or qualification documentation, extend the bid window, and award to other than the highest-dollar bidder if terms warrant. Sale execution and contracting are handled by Material Management Resources (MMR). Submission of a bid constitutes acceptance of these terms.

Payment terms: 100% payment due prior to release of goods. Payment in US dollars by wire transfer to the designated account; payment instructions provided upon award. Risk of loss transfers to buyer upon goods being made available for pickup at the seller's facility.

Pickup from Baton Rouge, LA. Ex works from current location, excluding delivery. Buyer is responsible for loading, transport, freight, insurance, and any export, customs, or regulatory clearances. Buyer is responsible for all applicable sales, use, excise, or transfer taxes. Buyer is responsible for compliance with all applicable export controls, including US Export Administration Regulations (EAR). Buyer warrants that they are not a restricted, denied, or sanctioned party. Pickup of awarded goods must be completed within the timeframe specified post-award.

This manifest is provided for bidder evaluation. Recipients agree not to contact the seller or any facility directly regarding this disposition; inquiries route through the marketplace.
